SUDAN AQUATICS FEDERATION

الإتحاد السوداني للرياضات المائية

The President opened the session and welcomed the members and thanked them for bearing the fatigue of travel for the members of the Northern Union, Kassala and Sinjah Al-Dawim.

The first Agenda

The Secretary spoke about the beginning of the preparation and preparation of the swimmers inside Sudan, the swimmer Lina Salah and the swimmer Bakri, and the coordination with the swimmer Ziad and Rana abroad. As for the swimmer Bakri, so far he has not joined the external camp. In correspondence with the International Federation, to rush the completion of the procedure, the swimmer Lina continues her preparations in coordination with the establishment of a training camp in Egypt then The head of training spoke. We are working hard to provide other swimming pools for training and preparation. It is a late start, but God willing, we will be able to complete the preparation program if an additional swimming pool is available. The secretary has been assigned to contact the swimming pools.

The second Agenda

The Secretary spoke: All preparations have been completed and the technical executive administrative committees have been formed. God willing, they will depart for Kassala State at the beginning of August. The Board of Directors has assigned the Vice President to follow up on the mission, prepare housing and food for all federations and clubs, and prepare internal and external deportation in coordination with the local Kassala Federation.

The third agenda Workflow

The secretary spoke about the federation's regular work progress with the same program. The situation, praise be to God, was implemented in the first quarter to a large extent. An internal training course was not implemented due to the College of Education's disdain for the university's connection to the general exams of the annual program.

Now at the beginning of the second quarter, preparing the team to participate in the World Championship in Japan and conducting a computer course with an administrative target. Local federations and technical committees coordinate the course with the Sudatel Institute.

in conclusion The president spoke and asked the technical committees of the national team to increase their work He talked about the heroism of the republic and the committee's belief that it would be decisive in implementation.

The end of the meeting is 6 pm
