Anti-doping awareness program

Awareness and training unit

In cooperation with

the Sudanese Anti-Doping Agency and the Sudan Olympic Committee

Course report

Course contents

- Identify the types of stimulants
- Prohibited means
- How to protect yourself
- Agencies operating internationally and regionally
- Sudanese Anti-Doping Agency
- The procedures and directives followed by the International Federation

Course date: May 13-15.2022

location is the National Club Hall

The number of students is 30 students from state federations, coaches, referees and players. The course was conducted using the direct education system through lecturers from the Sudanese Agency, and then the practical part, where the students were distributed into 6 groups, so that each group conducted a mini-course for awareness. An evaluation was conducted for the students in terms of attendance, comprehension, and conveying the message.

The closing ceremony was honored by the President of the Olympic Committee, the President of the Sudan aquatics Federation, and the Sudanese Anti-Doping Agency.

An anti-doping department was formed in the Sudanese Swimming Federation under the supervision and chairmanship of Dr. Al-Mutaz Abdel Fattah, member of the Sports Medicine Committee of World aquatics..
